

# aluminum raincarrier SYSTEMS

## BUILT TO WEATHER THE STORM

### CARRYING YOUR WORRIES AWAY

Years of development and testing have gone into making Reynolds RainCarrier systems a superior way to protect your home from rain damage. Every RainCarrier product is finished with the exclusive Reynolds ReynoGuard formula to help resist permanent staining and provide simple soap and water rinse cleaning. Plus, your Reynolds RainCarrier system is backed by a 20-Year Limited Warranty.\* Protects against cracking, blistering, peeling, or flaking for added worry-free protection.

### STRENGTH WITHOUT STRESS

Because Reynolds RainCarrier systems are made of durable, lightweight aluminum, they won't add unnecessary weight or stress to your home's overhangs. Longer lengths can also be installed, leaving fewer joints and a trouble-free system that means less stress for you.

*\*See actual warranty for details.*

## A RAINBOW OF COLORS AND STYLES
